S

WHO WE ARE . . .

Silhouette is the innovative, hospitality focused outdoor furniture brand that designs with the highest quality to fit any quantity. All of our collections exhibit premium artistry and style. Every piece is carefully crafted of materials that are both internationally recognized and approved. And behind each oeuvre is a dedicated team working hard and loving work.

Our talented team of product managers and designers are fully committed to the technical details, to the artistic processes, and to the global standards of production. Our client and project management team applies their hospitality knowledge and experience every step of the way. Our hand picked team of skilled and efficient suppliers are the ones who—quite literally—make it all happen. Together, we strive to maintain that perfect balance between form and function; between strong quality and even stronger durability.

Silhouette is bringing more than unique, long-lasting outdoor furniture: we're also introducing a more enjoyable way of doing so. Because in an industry so centered on creating the optimal experience, it's important that your design experience is met with the same standards. That's why we go above and beyond with our level of customer service, quality assurance, and client-focused operations.

At Silhouette, we're blending beautiful custom furniture and stunning standard collections with dedicated customer success. We're mixing high-standards with high-quality. We're achieving affordable exterior design through dedicated interior teamwork. And most importantly, we're furnishing the hospitality industry with a smile.

Silhouette is a proudly certified Women Owned Small Business.

Tina LeFebvre, **President**
Silhouette Outdoor Furniture

WE ARE FOCUSED ON CLIENT SATISFACTION

Silhouette Outdoor Furniture focuses solely on outdoor furniture for the contract market. We are very aware of the amount of traffic contract furniture needs to withstand.

At Silhouette we are dedicated to offering our clients state of the art product that is beautiful and long lasting. We will keep innovating and designing. We will keep offering competitive pricing. We will keep making the outdoor furniture experience an enjoyable, easily flowing process by offering excellent customer service, quality custom products and beautiful in-line collections.

METAL (Powder Coating)

Powder coatings have gained significant importance as a surface finishing of choice in the furniture industry.

Powder coatings are used for the surface finishing of steel and aluminum used for garden/lawn furniture, contract furniture (including cruise lines) and office furniture, as well as for MDF (medium density fiberboard) furniture.

VIRO[®]

Virofiber™ is the premiere provider of high-end, synthetic fiber, wicker and thatch. Highly customizable, Viro's signature all-weather fiber products are used by top designers and architects worldwide. Founded by Junus Sumardi in the early 1980s the family run company is based in Indonesia, with factories in Indonesia and China and offices in the United States and Europe.

All Virobuild products are 100% recyclable, pest free and water proof. These age-defying and natural looking fibers can be custom manufactured to meet green build specifications.

Viro understands energy efficiency and the environmental impact of their products. The fibers are made from HDPE instead of PVC. This choice is significant because while PVC is less expensive, there is a caustic problem associated with PVC at the end of the product lifecycle. When PVC is burned, it breaks down to toxins such as dioxin and hydrochloric acid. The by-product of HDPE, is similar to what is produced by burning a candle, CO2 and H2O.

Sunbrella is the ultimate in beauty and durability.

For over 50 years, Sunbrella has been recognized as a prime innovator in the fabric industry, providing practical solutions and responding to market demands.

Sunbrella® Contract fabrics are the ideal answer for great looks, incredible durability and the ultimate in cleanability. In addition to providing these outstanding qualities, they're also wonderfully soft to the touch.

Today, Sunbrella Contract fabrics bring that ingenuity to commercial settings and beyond.

SLING FABRIC

Our vinyl-coated synthetic fiber mesh (also referred to as PVC mesh or sling fabric) is a beautiful breathable option for many outdoor furniture pieces. This fabric is strong and does not stretch. Our PVC mesh fabrics are made of vinyl-coated polyester.

They make a durable, easy-to-clean, colorfast and strong outdoor fabric that doesn't promote mildew growth. They won't stretch or fade – and will make your furniture look beautiful for years to come.
